Christmas Message from Queensland Antonians

The Old Antonian Social Club Incorporated
Established 1981, Melbourne, Australia.

15th December 2009

Dear Queensland Old Antonians, their families and friends

On behalf of the Brisbane based committee, I write to wish you all a "Very Happy Christmas" and a great New Year. Hope that you all enjoy the best of Christmas Cheer and make the most of the Festive Season well into the New Year. Most importantly, please take care and be safe.

Our fund raising function for the year, on 11th July 2009, was well received by all. We raised a total of \$2497 by way of profit made on the night and donations made by those who could not make it. It was a great effort made by your committee, one and all. We must also thank all those who attended on the night and brought their families and friends along.

All funds were remitted to the Treasurer of the Social Club in Melbourne and he subsequently informed me that all of the money was transmitted to the fund established in Kandy to refurbish the Rev Fr D A Rosati Memorial Hall. Lakshman Nugawela has emailed me the Income and Expenditure details for the project and the receipt of Rs. 635,660 from the Australian Branch of the OBA (this includes our \$2497.00). He has indicated that the re-wiring has now been paid for as well as the repair/replacement of some of the broken old seats. Once again, thanks to all of you who contributed by way of donation and attendance at the event. It might interest you to know that we did collect more funds than the Victorians did at their Curry Nite !!!

We have been requested by many to consider having a similar event during 2010. Apart from the fund raising activity, it is a great opportunity for us to get together and celebrate the spirit of us being Antonian brothers. It is possible to do so but your committee would like more feedback from you before embarking on planning and staging such an event. Please contact one of those mentioned below with your thoughts about this.

Once again, enjoy the Festive Season and relive the true Christmas Spirit despite the warm weather !!

FLASHBACK 2009

President's Message - AGM 2009

To my fellow Antonians, families and friends,

A warm welcome to all of you present for the Club's 29th Annual General Meeting. I am proud to say we achieved the goals we set out to do at the beginning of the year. Thanks to each and every committee member and their spouse for the time and effort they have put in to making this year successful.

Committee meetings have been well attended and besides committee business, it's an opportunity to socialise and have some fun in true Antonian spirit. Thanks to Mohan and Estelle Gomez for their wonderful hospitality in opening up their home for two meetings this year.

Early in the year the year we played the traditional Annual Cricket Encounter with Trinity. Thanks to Allan Kelly (Over 40's) and Lester Heratge (Under 40's) for bringing this event together.

This year the club undertook the task of fundraising to rewire and refurbish the College Hall. Funds were primarily raised from individual donations. The Melbourne branch held a "Hopper Night" in March and the Queensland branch held a "Curry Night" in July to assist with fundraising. Close to \$10,000 have been raised for this worthy cause. This is an excellent result. I would like to make a special mention of Chris Drieberg and Mark Schrader for the work they have done to make this project such a great success.

This year's Antonian Day celebrations also gave us an opportunity to thank one of our pioneer members, Maurice Barsenbach and his good lady Coral. It was an occasion to honour Maurice for his passion and the tireless work done to our beloved club over many, many years. Another Antonian stalwart, Gordon Cooray gave us a trip down memory lane. A collage of photos organised by Chris was presented to Maurice as a token of appreciation. We wish Maurice and Coral all the best, good health and God's blessings.

The Annual Dance was held at the "Grande" and it attracted quite a bit of interest this year with close to 400 people in attendance. The night was summed up by MC Chris Pereira who mentioned to me that *"it was one of the best organised dances he had ever been to"*. We shall continue this tradition and strive to reach greater heights in the future.

The clubs' website www.antonian.org.au has been in existence since 2000. The site contains an active up to date membership list and archive of material from the current and the past. Unfortunately the site hasn't had much material input in the last couple of years. I am hopeful that this will change in the coming year and beyond.

The Club's financial position is quite healthy with \$ 10,000.00 in the bank, leaving the Club in a good position to further assist the College when required.

In closing, I wish once again to thank the existing Committee for rallying around the banner of the college in 2008 and 2009.

I wish the incoming Committee the best of luck for 2009 and 2010.

Treasurer's Report - AGM 2009

Old Antonian Social Club Inc. Treasurer's Report 2008/09

Operating Performance

Old Antonian Social Club Inc, has made an operating profit of \$9,884.80 before appropriation. This is largely because of donations received to fund the College Hall renovations. Hence, the net operating surplus is \$1556.63, a decrease of 44% from last financial year mainly due to some increases in expenses incurred for Annual Dinner Dance, an amount of bad debt written off during the year and poor subscription payments.

Membership/Subscriptions

We received \$280.00 in total subscriptions for the year. This is 57% decrease from last year despite the fact that reminders had been sent out to the entire membership. I must reiterate to all members that duly payment of your subscription to the club is vital in order to cover various admin expenses that incurred by the club.

Fund Raising Activities

Our main fund raising activity is the Annual Dinner Dance and once again with the combined efforts of the President, The Committee and all loyal members of our club helped to raise \$4,214.56. I would like to specially acknowledge Chris Driberg and Robin Koelmeyer for their enormous effort by selling 105 and 55 tickets respectively. No doubt their extra efforts have given a significant boost to the final outcome.

There were a number of activities which took place during the year to raise funds for the College Hall Renovation. A Hopper night which was organised by the club in Melbourne helped raised \$1,694.95 towards this course. A Curry Night which was organised in Queensland helped raise \$2,497.00. I would like to thank Mark Schrader and all QLD members for their effort in raising such a large amount. Together with various donations from most members, we managed to raise \$8,328.17 of which \$7,200.00 already transferred to Colombo Branch. Balance amount of \$1,128.17 will be transferred accordingly. I would like to thank Chris Driberg and Mark Schrader for their excellent support in coordinating this activity.

Expenses and Liabilities

Expenses are consistent with regular activities of the year and have not changed dramatically compared to last year. Liabilities consist of outstanding payments that are due to 'The Grand on Cathie's Lane', our Dinner Dance venue. The Balance in cheque account is the available funds to meet this payment as highlighted in Notes to the Accounts.

College Account

As shown in Income Statement, 20% of profit from Annual Dinner Dance has been transferred to the College A/C. Additionally, all funds that were transferred to Colombo Branch during the year in regards to College Hall Renovation Fund have been debited to the College A/C.

In conclusion, the accounts of Old Antonian Social Club Inc, Australia are in sound financial state and have been generating net surpluses for the last 4 years largely because of you, the members. I would like to thank Martin Pereira for his assistance in preparing the financial reports.

I would also like to thank our Auditors, 'Schrader, Singh & Company Pty Ltd' for auditing the accounts at short notice.

Queensland Antonians catch up with old mates!

By Mark Schrader

The Queensland Old Antonians, particularly those in the Brisbane area continue to get together to greet and meet other Old Antonians visiting Brisbane. We also keep in contact with each other on the internet and via the telephone as well. There is a great camaraderie and goodwill amongst us all.

Tony Duff-Tytler's visit...

In the recent past we have had visits from Tony Duff-Tytler and his wife Marie from London and Trevor Berenger from Canberra. It was great to catch up with Tony and Marie. I met Tony after about 48 or 49 years – no, he has not changed much – just a little more mature!! His wife Marie is such a lovely lady and most of us met her too for the first time.

From L - R : Damian Hayward, Victor Bailey, Sunil Guneratne, Brian Offen, Alex Duff-Tytler, Ralph de Zilwa & Mark Schrader.

In front is Tony Duff-Tytler in the red shirt and next to him with the silver hair is Annesley Diaz

They had come all the way from London to attend a wedding. His brother Alex and wife Marion who live in North Lakes, a suburb of Brisbane, hosted a magnificent get-together of fellow Antonians at their home. Victor Bayley, Damien Hayward, Ralph de Zilwa, Brian Offen, Annesley Diaz and I were there to make him feel welcome in our part of the world. What a great night it was, we just kept recalling the great days we had together at St. Anthony's and even though we have heard some of the yarns before, it was great hearing them again.

Trevor Berenger's visit...

Not long after that we had Trevor Berenger pay us a short visit and this time the host was Annesley Diaz and his lovely wife Arlene. Once again there was a good attendance of Antonians who knew Trevor and as the spirit from the Scottish Highlands kept flowing into us, the Antonian spirit kept getting raised higher and higher. A fantastic night was had by those who attended.

Let us keep the Antonian spirit up always and may there be many more get-togethers of Old Antonians everywhere

Reminiscence of a great legacy - The Antonian Chorale...

By Junius de Silva

(Daily News Online Edition - 7th October 2009)

I was taken with a pleasant surprise when an invitation was extended to me to pen my memoir on a great legacy - the Antonian Chorale, the choir of St. Anthony's College Kandy. I am indeed honored and flattered to go back walking down memory lane to fondly reminisce the humble beginnings of a great chorale today.

Indeed this choir is one of the few dreams which were shone upon with the life-giving breath of reality to this date. This is the dream-come-true of a young Antonian chorister's desire to sing in a four-part choir, which never came true during his college tenure as the lack of resources and guidance shattered even the very last rays of hope.

The first glimpse of a promising beginning was seen when they entered the auditorium in procession singing the famous carol 'Once In Royal David's City' during the Carol Service held in 2005.

Famous hymn

I had just arrived from Colombo having accepted an Invitation to attend this Carol Service and I was astounded by the singing, leaving me gazing at the choir with locked eyes and wandering with amusement – beginning to realize my dream was never shattered and even though hope is frail, it will prosper and nurture someday, with these kids...

This was the foundation stone of natural raw talent laid with cement of hope and courage to re-build the great legacy of this chorale. As for the lines of a famous hymn, "It only takes a spark to get the fire going...." and that's the result when a great tradition is vowed to be continued with blood, sweat and tears.

This spark lead us to embark in a new mission which resulted in us taking a journey in life which today has enabled to broaden the horizons of our own worlds... and still we are learning...

It sat for seven months on the drawing-board which required countless hours of research for songs and hymns coupled with sheer commitment from the young choristers which resulted the first public performance of the choir to be staged on July 22, 2006 at the College auditorium, after a lapse of many years.

This was the inauguration of a trade-mark concert - 'On Eagle's Wings', which eventually 'launched' the 'Antonian Chorale' on its journey towards resurrecting and returning to the pristine glory it enjoyed under the able guidance of the late Cyril Brown, who is remembered even to date for his commitment and high standards set in the golden era of this choir in the 60's.

The Antonian Chorale constantly strived to remain with it's distinct and unique identity of being a Gregorian Choir - the pioneers of it's kind amongst the Sri Lankan School Choirs.

Showered with praise

These youngsters quickly stole the limelight in the country's choral music arena when they sang their hearts out for the 'Exodus Song - This Land' for which they won the Champions Award at the All Island Western Music Choir Competition in November 2006.

Expectations were high and the bar was raised when the choir was requested to perform On Eagle's Wings 2 in Kandy as well as in Colombo for the first time in January 2007.

Our youngsters were high in spirit and courage with their hearts and souls filled with passion; they were adamant to prove to their counterparts in Colombo that the Eagles are soaring high on sky...

I could still reminisce them singing 'Let There Be Peace On Earth' as the first performance which at the end, stunned the audience with a moment of silence before they were

showered with praise and applause!

This choir, whilst following the Gregorian traditions, is yet so versatile and their song selection ranged from acapella versions of 'La Montanara' and the likes of 'In the Still of the night' (Boyz2Men), Bridge Over Troubled Water and even rock hits like 'We Will Rock You' and themes like 'World In Union' (Theme Song from 1999 Rugby World Cup) On Eagle's Wings has now become a tradition and a trade-mark for St. Anthony's College, adding yet another feather in her cap!

Golden tears

On Eagles's Wings 3 held in February 2008 marked a historical milestone for the chorale as they launched their maiden CD - Antonian Melodies: Chimes of Brotherhood.

This was a long-felt need which came to reality with nearly 1-year's careful preparation and hard work all round. The result was a CD with 16 of the best renditions by the chorale which included the likes of Veni Creator Spiritus, Panis Angelicus, Jerusalem, Gloria a'Te Cristo Jesu, Advent Peace Cannon and the contemporaries such as You Raise Me up, Sound of Silence, Shout to the Lord, Tears In Heaven, Lovely Lord etc.

However, the highlight of the CD production and the concert was when the College Anthem - Rally Round The Banner was sung in four-part harmony as a full choir for the very first time in the history of the college. This would definitely take the eyes of many Young and Old Antonians here and overseas with golden tears in appreciation and utmost respect to their Alma Mater.

On Eagle's Wings' – October 2009

The year 2008 was a great success to the chorale as a unit as it reveals by the very words of the Choir Master, Rev. Fr. Araliya Jayasudara - "I am both relieved and over-joyed. God has been so gracious towards us, that he has seen to the successful completion of the season"

The fourth edition of On Eagle's Wings was held in October 2009!

These youngsters are truly talented and with proper guidance and mentoring throughout the years, they have reached many heights in choral singing by now. Rev. Fr. Jayasundara says, "The choristers have come of age, it's not the struggling singers who sang "Let there be Peace" in 2007. The present crowd is dynamic and versatile. They surpass me in many ways'.

I was given a pleasant surprise when I heard this time the boys had sung "Handel's Messiah - Hallelujah Chorus" which is often sung by the most professional of choirs and not tried by many ordinary choirs - certainly one would not expect this from a Sri Lankan School Choir.

May the Holy Spirit spark the fire of courage and wisdom in these young hearts, so they are able to spread the love and friendship to all around...

May our dear alma mater sing along with each voice, to praise and glorify God...

Every Old Antonian around the world is invited to celebrate this memorable event with the Parent Body in Kandy. At this stage it is planned to be in March/April of 2011. If you had missed the 150 years celebration of College in 2006 you missed one of the most memorable events in the life of an Antonian. Those who attended will vouch for that. Here is your next opportunity to join the Parent Body of the OBA, meet up with old class mates and enjoy one big celebration. This would be a once-in-a-life-time opportunity.
