

Antonian Sports Trust Fund

A Trust fund dedicated to Antonian sports has been established under the joint Chairmanship of our former sporting stalwarts Priyantha Ekanayake and Ranjith Samarasekera. The following is a message by Priyantha and Ranjith:

Dear Old Antonians, Young Antonians & Well Wishers,

We have finally opened the "Antonian Sports Trust Fund". We are extremely sorry for the delay in opening this account. This was mainly due to the bank, having to obtain necessary approvals, since the word "Trust" was appearing in the account's name.

Let us explain the purpose of this fund. This is meant mainly to develop & continue Sports at St. Anthony's College. Unlike all other funds, monies in this fund will not be utilised directly, only the interest from this will be collected to facilitate the sports activities.

We therefore need to get around 2000 or more Old Boys to contribute a minimum of Rs.5,000/- per year, so that we will have more than Rs.10,000,000/- per year. We hope to generate Rs.50,000,000/= within five years. At that stage, we are confident that we will be able to assist all sports activities at St. Anthony's. Hence, we do not have to harass same old boys repeatedly. All transactions will be transparent and will be published in our web site. Appropriately these monies will be utilised in the best interest of the school as determined by the trustees.
